

Lunchtime Seminar

The Future of Real Estate Funds & Illiquid Assets

The UK property market faced a number of challenges as a result of the Brexit outcome of the EU referendum. One year on, this seminar offers the opportunity to hear from industry experts as they examine the industry's response to the events and discuss the current issues affecting real estate funds.

Confirmed speakers:

Paolo Alonzi, Chief Operating Officer, Real Estate at Standard Life & Chair of AREF's Public Affairs Committee

Guy Glover, Fund Manager at Kames Capital

Anne Copeland, Investment Director, Real Estate, Fidelity International

John Forbes, John Forbes Consulting

The event is free and open to all working on AREF member funds
