

Open Ended Fund Pricing

Joint AREF/INREV Roundtable Event

Pricing mechanisms for open ended real estate funds is an important topic which has always generated much attention.

During this breakfast seminar, we will discuss market insights and context on the various fund pricing mechanisms used in the European market by describing the key issues faced by investors and what fund managers use to address these issues.

Confirmed speakers/panellists:

Chair: Nick Brown, M&G ([link to biography](#))
Michael Hornsby, Partner, EY ([link to biography](#))
Robert White, Partner, EY
